

Pines Village Retirement Communities is pleased to welcome Julia Versau, an AmeriCorps volunteer and Valparaiso resident. Versau will work on a variety of projects to support the programs and outreach of Pines Village. A longtime writer and community volunteer, she is the editor of "Oregionality," a noted book about the northwest Indiana region. A graduate of Adrian College who received her masters degree at the University of Chicago, Versau has served as a PTO president and school volunteer, Girl Scout leader, and publicity chair for Valpo Reads a Book.

Pines Village Retirement Communities is an award-winning not for profit organization providing housing and other services for older adults. As an AmeriCorps volunteer, Versau will connect Pines Village to the national network of programs that engages more than 70,000 Americans each year in intensive service to meet critical needs in communities. The Porter County AmeriCorps Partnership program, a joint effort of AmeriCorps and United Way of Porter County, seeks to increase the number of volunteers serving not-for-profit organizations, community groups, and schools.
