

PRESS RELEASE 4-3-08

Pines Village Retirement Communities is proud to present, “The Stonecutter’s Aria,” by award-winning author Carol Faenzi.

Faenzi embarked on a life-changing adventure to discover her Italian family’s unique heritage that began in Italy and ended in Indiana. By realizing her ancestors’ courage, she was inspired to take her own voyage into the unknown. “Our ancestors have gifts for us today: The treasures in my family’s forgotten stories revealed to me my own life’s purpose,” she said. Her presentation inspires others to revive their ancestral connections in order to create more meaningful lives.

“Every May we host an event in honor of Older Americans Month,” said Laurie Mullet, Pines Village CEO. “This year, we are combining the event with our 25-year anniversary celebration.”

The event will take place on Friday, May 9, from 8:00 a.m. – 10 a.m. at Strongbow Inn. The cost is \$25 per person, including breakfast. For reservations, contact Kathy Sheely at k.sheely@pinesvillage.org or call 219-465-1591.
