

Walk with Us

In Our Garden

We celebrate life . . . The smell of flowers, the comfort of a wide shade tree and friendship. We all cherish these things, the simple things, the real things, not man-made but God-given. Quiet moments with friends or an invigorating walk down a winding path. Our community renovation gives us a unique opportunity to design gardens to nourish one's soul and stimulate both mentally and physically. The new garden path has been laid and inspired community members with green thumbs have been choosing flowers and trees that will awaken the senses with beauty and fragrance for all seasons.

How Will our Garden Grow?

Our garden will grow with the help of our friends. Our plan is to have a garden where community members and visitors can relax in a shaded refuge, listen to a symphony of bird songs or take a brisk walk around the 1/3 mile path. But we need the help of our friends to allow us to purchase plants and trees on our wish list. We have established our Paths of Giving campaign to our family and friends to help build the gardens in our village. Described below are the different ways you can be part of the natural beauty that will surround Pines Village.

- * Azalea Path (up to a \$50 gift)
- * Lilac Path (\$51-\$100 gift)
- * Magnolia Path (\$101-\$200 gift)
- * Sycamore Path (above \$200 gift)
- * Park Bench (\$385)

Whatever you decide, your gift will be appreciated and enjoyed for years to come. In recognition and appreciation of the generous donations we receive, a Memory Book will be on permanent display in our new Celebration Center that will record each donation.

Pines Village Retirement Communities, Inc. is a 501 (c) (3) not-for-profit organization and all donations are tax deductible to the full extent allowed by law.
